Payment for advertisements is due on or before publication date. If advertiser fails to supply payment as specified, Alpaca Culture is entitled to terminate its contractual obligations. Further, a surcharge of 4% per month on all overdue accounts will be charged retroactive to the date of the invoice.

Cancellations will not be accepted after the ad deadline. The advertiser has the right to cancel any ad as long as the request is made in writing one week before advertising deadline.

Proof of publication will be ensured with one copy of the issue in which the client's ad appears, mailed to the address listed on the contract.

Alpaca Culture's **liability** extends only to ads produced originally and in their entirety by our staff. We will use reasonable care and skill in handling advertisements but if the ad is not published according to contract, maximum liability of Alpaca Culture will be limited to the invoiced amount of the ad space in question.

Notification of changes to space for ads or ads themselves will be made as soon as possible by Alpaca Culture. The advertiser can submit a new ad if the changes suggested are acceptable unless the changes are due to circumstances beyond Alpaca Culture's control. Alpaca Culture may charge the advertiser for changes we are not responsible for.

Ad production rates (see sponsors and rates pages in this media kit for details and pricing). Ads are produced by Selle Design Group and build fees are payable to Selle Design Group.
